

Ballyhalbert and Ards Connect – 7 July

Leader: Raymond McClure

- Pray for the Parish of Ballyhalbert, that over these coming weeks and months there would be a renewal of passion for God's Word and to go deeper in prayer.
- Pray that the church of St Andrew's would be seen as a place where love, reconciliation, hope, and joy can be found. Pray that people who seek to find those things would find it in our church.
- For Ards Connect as we develop our Young Evangelist Programme. Pray that the Holy Spirit would put it on the hearts of young people to sign up for the course - that the ground would be fertile and that when these young people go forth with the gospel it would be well received and grow.
- Pray that the volunteers for Ards Connect would grow in numbers, in discipleship and in passion for reaching the young people of the Ards Peninsula.
- Join us in praying for the entire Ards Peninsula- that the Holy Spirit would go forth and stir up a hunger within hearts. We ask for a hunger for the gospel, a hunger to see the lost come home, a hunger to see the sick healed and the broken restored. Pray that God would continue to do immeasurably more than we could ever ask or imagine.
- Pray that hearts would be softened during these summer months - that we keep the main thing the main thing and surrender our lives for the glory of God alone. Pray that fellowship would increase, and unity be restored, not only in our parish but in all of the parishes and churches in the Ards Peninsula.

FORGE Lit Mission Trip to Hungary (20-27 July) – 14 July

Leader: Janine Armstrong

- Our prayer is firstly that our young leaders will be stretched in their skills as they spend long days teaching and leading a youth camp. That they will grow in their faith and dependence on Jesus and return to their home parishes with a renewed passion and love for local ministry.
- Pray for safe travels as the team navigate airports and public transport in a new country. Pray that all practicalities and travel arrangements will be smooth and problem free.
- Pray for good health for each team member, both in the lead up to as we prepare and while we are on the trip. That the team's bodies will adjust to new climates and diets.
- Pray that the local Hungarian church will feel encouraged and blessed by our presence, that our week of mission will help build the church and support their ministry with local teenagers.
- Most importantly please join us in praying that young people will discover who Jesus really is and come to love and know him as saviour of their lives.
