- Pray that the Dock will continue to support itself in the winter months and be a Lighthouse of Hope for those that frequent the cafe. We pray that conversations and relationships will keep growing.

- Pray for our Board of Directors as they continue to serve faithfully and make key decisions for the future.
- For our volunteer team at The Dock. They really are our heartbeat!
- Pray for the ever expanding TQ community; for those that work, live, visit and study in the area.

- Give thanks for the growth we have experienced over this past year, particularly in our ministries to children and young people and in our men's work.

- For an Alpha Course planned in January 2019.
- For our community outreach over the Advent period and a real sense of God's presence and joy at our Carol Services and Christmas services.
- For the Holy Spirit's empowering and envisioning for the year ahead, as we seek to reach our community for Christ, and for God's provision as we seek to develop our buildings to enable us to do this more effectively.

**Christmas in our parishes – 23 December**

- Pray that we would be people of hope, joy and peace in this frantic season.
- That many would attend our Christmas services and that the message of the incarnation would change many lives.
